Bute Museum

Book order form

Bute Museum stocks and sells titles with a link to the island of Bute. Many of the titles are published by Buteshire Natural History Society, the Museum's affiliate organisation. We are happy to send books and will charge the actual cost of P&P. As this will vary depending on the weight and size of book we will add the cost to your order on receipt of the completed order form and advise you of the total cost at that stage. All profits from the sale of our titles goes towards the upkeep of the Museum.

Thank you for supporting Bute Museum.
